FALL OF PART OF A BUILDING.—THREE PERSONS INJURED—ONE DEAD.—Yesterday forenoon, between 10 and 11 o'clock, while a number of laborers were engaged on the second floor of the building in course of demolition corner of Nassan and Celer streets, a portion of the floor gave way, owing to a too large amount of bricks being pided thereon, and precipitated the men and materials to the first story below. Two boys, who were gathering wood on the first floor, were also among the sufferers. All parties were speedily extricated, and but three, a man and the twoboys, were found to be seriously injured. These were taken to the New York Ilospital. Anthony Byrenes, a laborer 39 years of age, was so badly injured that he died yesterday afternoon. Cornelius Sullivan and John Shea, 12 and 13 years of ago, were thought to be dangerously wounded. The Coroner will hold an inquest on the deceased to-day, and institute an inquest on the deceased to-day, and institute an investigation as to the cause of the occurrence.—The above bnilding is being removed to give place to one for banking purposes.

And if we now prove that Morehead tas, since the 23d of January last, denounced the Know-Nothing order and its principles, we place him and his volunteer witnesses in a very awkward situation.

First of all, it should be remarked that Mr. Charles S. MR. SOLDMONS: Having noticed your advertisement in the Louisville and Lexington papers, I called at your office with my wife to purchase for her a pair of your improved spectacles, with which, I am happy to say, she can see to thread the finest needle, (which she has not done before in five years,) or sew and read for any length of time by day or candle-light, as well as she ever could. She has purchased several pairs of spectacles in the last five years, but they invariably caused the eyes to become weak and tired after using for a short time. No amount would induce her to part with those she purchased from you. Yours, respectfully, the purchased from you. Yours the purchased from you. Mormonism at Kirtland, Ohio. In a recent number of The Descret News we find sermon delivered by Elder Geo. A. Smith, upon he rise and progress of Mormon sin at Kirtland, Onio, fr m which we call the following tit-tats: WHY THE KIRTLAND TEMPLE WAS BUILT.

WHY THE REPLAND TEMPLE WAS BUILT.

Among the first principles that were revealed to the children of men in the last days was the gathering: the first revelations that were given to the church, were to command them to gather, and send elder to leek out a place for the gathering of the gathering of the gathering for? Why was it that the Saviour wished the children of Israel to rather together? It was that they might become ented, and provide a piace wherein he could reveal unto them keys which have been hid from hel re the foundation of the world; that he could unfold to them the laws of exaltation, and make them a kingd in of price's, even the whole people.

SISTER EMMA TEA AND VOFFEE.

In a few weeks some of them apostatized: the rinks were too great, the troubles were too severe. I know persons who apostatized because they supposed they had reas m: I r instance, a certain tamily, after having traveled a long journey, arrived at Kirtland, full the Prophet asked them to sto, with him until they could find a place. Sister Emma, meantime, asked the cld lady if she wild have a cup of tea to refresh her after the latine of the journey, or a cup of effec. This whole family apostatized because they were in vited to take a cup of tea or of the after the world of wisdam was given.

We have seen names upon trees, on the heads of old trunks and bits of bearls—the names of men that I knew, and I knew just as well, in the Kirtland Temple, wha's would be their fute, as I know now. But that tried as; some of us were awfully tried about it. The Lord dared not then reveal anything more.
